## All You Need to Know About Biologics & Biosimilars:

A Patient-centric Case-based  
Approach for Pharmacists

## JOIN US!

Tuesday December 1st, 2020

7:00 - 8:00 PM

[Join Microsoft Teams](#)

Presented by

CAROLYN WHISKIN, RPh, BScPhm, NCMP

Clinical Pharmacist, Charlton Health, Hamilton, ON

### Learning Objectives

After attending this session, participants will be able to:

**Describe** the process by which biosimilars are approved and regulated by Health Canada

**Explain** key data on biosimilars used in rheumatology

**Apply** experiences and practical tips provided by experts to improve communication with patients on the use of biosimilars

**Use** the acquired knowledge to educate patients and address their questions on the use of biosimilars with confidence

Please RSVP to:
